

MOVING HELP QUESTIONNAIRE

1)What's the best time we can arrive?

**Please note all arrivals come with a 1-Hour window of arrival.*

**Same day service jobs have a 2-Hour window of arrival.*

2) Will this be a load only, unloading only, or both?

**Please note: for all loading jobs we ask that you supply pads and shrinkwrap to protect your belongings during transit. (We will pad and wrap only the pieces you want to protect during transportation)*

3)What are the loading/unloading addresses?

If it is only a load/unload, just include that location.

4) Are there any stairs, elevator, or freight elevator access at the location(s)?

5) What size truck will you be using?
